EASY INSTALLATION

RAPIDOOR ID
(Interior doors)

RAPIDOOR FD
(Front and entrance doors)

Attach RAPIDOOR to the SOLA HPL 3 (180 cm) level and hook it into the door hinges.

Installing Doors in Record Time with Sola Rapidoor

RAPIDOOR makes installing door frames faster, more precise and more ergonomic. The innovative door installation aid attaches directly to the SOLA HPL 3 (180 cm) high-precision level and hooks into the door hinges. This keeps both hands free for aligning the door frame, while keeping the level's vial directly in sight at all times.
